

PresSTORE Integration for Cumulus to be shown at NAB

Canto partners Moksa and Archiware team up to show NAB attendees how Canto Cumulus and Archiware PresSTORE can manage and protect digital asset collections.

SAN FRANCISCO, California — 29 MAR 2011 — [NAB 2011](#) attendees will see first-hand the brand new integration that links the [Canto Cumulus](#) digital asset management system to [Archiware's PresSTORE](#), which manages back-ups and archives. Canto partner [Moksa](#), who developed the integration, will be on hand to provide demonstrations and answer questions.

“Our new partnership with [Archiware](#) has been wonderful,” said [Moksa](#) president Vincent DiPaola. “So many of our combined customers now have access to what they’ve needed for so many years.”

“Cumulus and PresSTORE are a perfect match for so many organizations worldwide,” said Canto marketing director David Diamond. “An organization’s digital assets need to be properly managed and protected. Thanks to Moksa, Cumulus and PresSTORE now work as a team to handle both tasks easily and perfectly.”

The [NAB 2011](#) exhibit hall will be open from 9 April through 14 April at the Las Vegas Convention Center. [Moksa](#) and [Archiware](#) will be in booth SL1414.
